Sun Smart Hats, Uniforms and Homework Bags are for sale at 'the School Locker' at Domain Central

School uniforms are **only available** from the School Locker at Domain Central. For all items (including stationery, shoes, etc) purchased from this shop, the Bluewater State School P & C receive a percentage from your sale.

For all outdoor activities students are required to wear a Sun Smart hat. They may wear a bucket hat, wide brim hat or legionnaire style hat with flap.

Hats in the school colours with the school emblem are available for purchase from the School Locker and school tuckshop.

Royal Blue Bag with the school logo can be used for either Homework or as a Library Bag. These are available from the School Locker and the school tuckshop.

To reduce costing to parents for school start, minimum items have been added for students. Please ensure students attend the first day of school with all items. **Please note that items will need to be replaced during the year due to usage eg. pencils, exercise books, erasers, glue, tissues. Information will be provided to parents at the end of each term or as required for any items that need replacing.**

Covering exercise books assists in increasing longevity of exercise books for students. All items must be clearly labelled, including individual pencils.

We encourage parents to recycle items from previous years such as general stationery, clipboards and folders, however please note the requirements of exercise books change due to the types of lines students use.

Bluewater State School does not charge a resourcing or school fee to parents, as such a shared contribution of two reams of paper are asked per child to assist with materials produced for your children.
